TRADE AND DEVELOPMENT BOARD
Special Committee on Preferences

GENERALIZED SYSTEM OF PREFERENCES

Administration of the GSP schemes

The Secretary-General of UNCTAD has received the following letter from the Minister for Planning and Co-operation (Ministre du Plan et de la Coopération) of Rwanda concerning the national focal point on GSP of Rwanda:

"I have the honour to inform you that, pursuant to the recommendations of the National Seminar on the Generalized System of Preferences (GSP), held at Kigali from 22 to 24 July 1991, the Government of Rwanda has decided to set up a focal point to administer the GSP scheme and to act as a centre for liaison between Rwanda, UNCTAD and the various preference-giving countries.

"To that end, and after consultations with the regional representative of the UNDP/UNCTAD project for Africa (RAF/86/057), the Chamber of Commerce and Industry of Rwanda has been chosen to serve as the focal point.

"I would be obliged if you would advise the preference-giving countries and bodies promoting international trade of this decision and also inform them of the full address of the focal point on GSP of Rwanda, which is:
